How will we provide advice to you?

You will be provided with a Statement of Advice (**SoA**) if we provide personal advice that is based upon your personal circumstances, needs and objectives. Where a particular product is mentioned, you should obtain a copy of the PDS for the product discussed and consider it before making any decision. Please contact us to obtain a copy of the PDS.

If you do not wish the Provider to advise you in relation to the financial products, the Provider may deal in or arrange those products by carrying out your instructions (ie product placement on an execution-only basis). If you do not obtain advice, you face the risk that the financial product/s you select will not fully take into account your objectives, financial situation or needs.

You should carefully consider any warnings, which may be contained in the SoA, RoA PDS, or provided by other means, prior to making any decision about a strategy or financial product.

Am I authorised to provide financial services?

Yes. I am authorised by AUPFS to provide financial advice. My ASIC authorisation number is 1247745.

I am contracted to Sky Summit Pty Ltd, which is a Corporate Authorised Representative of AUPFS.

What areas am I authorised to advise on?

I am authorised by AUPFS to provide financial services including advice or services in the following areas:

- Financial Planning
- Life Insurance
- Superannuation
- Self-Managed Superannuation Funds
- Managed Investments
- Margin Lending

If you require services that I am not authorised to provide advice in, I can provide a referral to a professional who can assist. Additionally, I may identify a requirement for you to receive advice in these areas, and refer you to a specialist accordingly.

If I receive a specific fee for this referral, it is disclosed below. It may also be disclosed in an advice document such as a Statement of Advice (**SoA**) or Record of Advice (**RoA**), if I provide you with personal advice.

Do I have an interest in any financial products or service providers that I may recommend to you?

I have no interests in any of the products or services I may recommend.

How are the fees you pay shared between me, my employer and AUPFS?

All of your fees are paid to AUPFS, who retains a portion to cover the costs associated with operating and providing a financial services business. It retains 10% of fees (or a minimum of \$25,000) per annum up to \$1 million, after which it retains 5%. The remaining fees are passed to Sky Summit Pty Ltd trading as Sky Summit Financial.

I will receive income as a contractor of Sky Summit Pty Ltd trading as Sky Summit Financial. I could also receive remuneration or benefits which may be based upon the amount of revenue I generate for Sky Summit Pty Ltd trading as Sky Summit Financial in advice fees and commissions, as well as other performance measures including compliance.

Do I provide referrals for certain financial services or receive referrals from third parties? If so, what benefits do I receive from these referrals?

I may receive a payment for making a referral to an external specialist such as an accountant or solicitor. Any amount payable will be disclosed in the SoA or RoA provided to you. This will be paid by the external specialist and will be at no additional cost to you.

If you have been referred to me by an external party and you accept the services I provide, I may make a payment to the external party for that referral. Any amount payable will be disclosed in the SoA or RoA provided to you. This will be paid by me to the external party and will be at no additional cost to you.

What fees do you pay for financial services I provide?

Initial Advice Fees:

Fees are charged for my initial advice and the preparation of a SoA. Fees are based on the complexity of the advice provided and range from \$1,100 (minimum) to \$3,300 (maximum) inclusive of GST. I will confirm the exact amount, which we will agree on before commencing any work.

You will be sent an invoice and payment is required within 7 days from the invoice date. Please note that my initial advice fees still apply where you decide not to implement my advice.

Ad-hoc Fees:

Fees for ad hoc advice and services may be charged at an hourly rate of in the range of \$220 and \$550 per hour (including GST) depending on the complexity of the work involved.

The hourly rate will be agreed upon prior to commencing the work, and an estimate of the time required will also be provided. You will be invoiced for these fees after the service is provided.

Subsequent Service Fees:

Fees for ongoing services and reviews are all based on an annual fee, ranging from 0.55% to 1.25% of the funds under advice. For example, if you have \$100,000 invested, and my annual fee is 1.25% of your portfolio, the fee will be \$1,250.

All fees may be deducted from your investment funds (or insurance premiums) and paid to me by product providers instead of being invoiced directly to you.

All fees are inclusive of GST.

NOTE: Full details of all fees and commissions for Financial Services will be provided to you in a SoA, or RoA and Product Disclosure Statements at the time of receiving any recommendation.

Do I receive any commissions from product providers?

For financial products (except insurance products) that were opened prior to 1 July 2013, a commission may be payable from the product provider to me. Where such a payment is made, it will be disclosed to you in your SoA or RoA and the method of calculation fully explained.

Insurance products

Where we arrange an insurance product, the insurer pays us an upfront commission and an additional commission when the product is renewed each year. The rate of initial commission payable ranges from 0% up to 88% of the base premium. The rate of renewal commission ranges from 0% up to 35% of the base premium. In general terms, the higher the upfront commission, the lower the renewal commission and vice versa. Importantly, the choice of commission payment arrangements does not affect the amount of premium payable.

For example, if you purchase a life insurance policy with an annual premium of \$1,500 AUPFS may receive an initial payment of up to \$1,320, calculated as $\$1,500 \times 88\% = \$1,320$; and an ongoing commission of \$525 calculated as $\$1,500 \times 35\% = \525 .
